### Meats

#### **Pulled Pork \$16/pound**

Premium pork shoulder ("Boston Butt") seasoned with an original blend of 16 spices and slow smoked over a bed of natural hardwood until optimal tenderness is achieved.

Every serving is hand pulled and served with our homemade sauce (on the side). 3-5 people per pound.

#### **Pulled Chicken \$15/pound**

All white meat breasts prepared with a combination of eight seasonings and smoked over hardwood to add smooth smoke flavor and lock in moisture. Every serving is hand pulled and served with our homemade sauce (on the side). 3-5 people per pound.

#### **Beef Brisket \$42/pound**

Dry aged Texas Black Angus brisket seasoned with a blend of bold spices that enhance the natural flavor of beef and locks in moisture. Slow smoked over a bed of natural hardwood. Served either chopped or sliced with our Brisket Mopping sauce. 3-5 people per pound.

#### **Pork Ribs \$16/pound**

Rubbed down with our original blend of seasonings and smoked until they are fall-off-the-bone tender! The rub creates a terrific 'bark' making the ribs very tasty without sauce. Served with our original sauce if you want to get messy! 3-4 ribs per pound.

#### **Fish Tacos \$24/half-dozen**

White fish with blackened seasoning smoked over apple wood and served in a flour tortilla topped with chipotle cole slaw and our original sauce.
